

3-6 MONDAY CRAFT

Materials Needed:	Instructions:
<ul style="list-style-type: none"> ▪ 1x sponge ▪ 1x toothpick ▪ 1x coloured cardboard rectangle ▪ 1x metal paper clip ▪ 1x “God is the ruler of all” card ▪ 1x “We all don’t listen to God” card ▪ 1x fridge magnet ▪ 1x medium sized container ▪ Coloured pencils and textas ▪ Sticky tape ▪ Tap water 	<ol style="list-style-type: none"> 1. Use the toothpick to poke a hole in the middle of the sponge so it stands upright, without pushing the toothpick all the way through the sponge. This will be the mast for the boat. 2. Take the coloured cardboard rectangle and bend it into a curved semicircle. Push the toothpick through the two holes in the cardboard to create a sail for the boat. 3. Use tape to stick the metal paper clip to the front of the sponge boat. Your boat is finished! Set it aside as you work on the cards. 4. Take the first card that says “God is the ruler of all”. You can colour this in and add your own words or drawings to remind you of how you want to listen to God. Use tape to stick this card onto one end on the outside of the container. 5. Take the other card that says “We all don’t listen to God and run away from Him”. You can colour this in and add words or drawings for the ways you don’t listen to God. Use tape to stick this card onto the opposite end on the outside of the container. 6. Fill the container half full with water. 7. Place your sponge boat into the water. 8. Use your fridge magnet to attract the paper clip and direct the boat around the water. Try directing your boat towards the “We all don’t listen to God” card. Now direct your boat towards the “God is the ruler of all” end of the container.

God is the ruler of all

We should listen to God

We all don't listen to God and run away from Him

Place your magnet here
